

ITINERARY FOR FLY ME TO ZAMBIA - 2023
Zambia

Let your imagination soar

Journey overview

Zambia is the undiscovered treasure trove of Africa. It shelters extraordinary natural beauty and is one of the most pristine and unspoiled wildlife havens on the continent. It is easy to see why Zambia boasts one of the largest areas of land under protection as a national park in Africa.

The spectacular Lower Zambezi National Park is a national park of pristine wilderness and boasts breathtaking vistas of the Zambezi River, as well as lush riverine surrounds. It is not uncommon to see enormous herds of elephant along the riverbanks, as well as leopard, buffalo and lion. The park offers a wonderful collection of habitats, which are home to a superb diversity of animals.

South Luangwa is home to an abundance of game, which frequents the Luangwa River and its oxbow lagoons and is the birthplace of the walking safari. This is one of the best ways to get up-close-and-personal with the park's pristine wilderness, which boasts 60 animal species and over 400 bird species.

Time + Tide Chongwe Camp

Lower Zambezi, Zambia

Enjoy the best views in the Lower Zambezi, looking across the meeting point of two mighty rivers.

Time + Tide Chongwe Camp is our newly refurbished camp, with each safari tent set along the confluence of the Chongwe River which winds through the forested valley meeting with the mighty Zambezi River, creating a haven for wildlife and exceptional sightings.

Its eight classic tents are designed to make the most of what Mother Nature provided. Each has a panoramic view along the Chongwe River, a spacious open-air bathroom, a porch with comfortable lounge chairs and features local textiles and handcrafted furniture.

Every day our team serves up satisfying meals, your favourite drinks and big smiles in the relaxed main lounge. The wildlife hide is great for photography and for spotting rare nocturnal creatures.

The small number of camps in Lower Zambezi National Park keep it free from overcrowding. The area is best known for its impressive variety of safari activities - enjoy drives to walking safaris, or take to the rivers on a boat cruise or canoeing safari, or try your hand at tiger fishing.

Time + Tide Chinzombo

South Luangwa National Park, Zambia

Exclusive and luxurious, yet quintessentially natural, Chinzombo is tucked into the shade of ancient trees on a bend of the Luangwa River. Six beautiful villas combine a modern architectural feel with indigenous materials, locally reduced leather, reeds, canvas and recycled composite timber floors. Each beautifully situated villa boasts its own private plunge pool, refreshingly cooled sleeping area and generous bathroom. Bedrooms open out onto shaded decks, while each villa also has a yoga and exercise area, as well as a spa treatment area.

A winding path connects the villas with a shared lounge and dining area set in the shade of msikizi trees. Elegant dining and lounge areas, as well as library, look out onto the river. A tree-shaded pool surrounded by a lookout deck offers a cool place to relax in the heat of the day.

WHAT WE LOVE ABOUT CHINZOMBO CAMP

Take a boat ride across the river to enjoy direct access into the game rich Luangwa Park.
