What we love about it

1 A TREEHOUSE JUST FOR YOU
Cocooned in natural bush surrounds, this 4-level treehouse features two sleep areas: level 3 is covered and weatherproofed, with a king-size bed, and level 4, a sleep out platform under a retractable awning. Toast the sunset. Enjoy a starlit picnic dinner. You're assured of an intimate wilderness experience, completely off the grid, themed in luxury and exclusivity.

2 A WILDERNESS EXPERIENCE
Surrounded by home comforts, a stocked bar and a selection of midnight and breakfast snacks, you could be forgiven for thinking you were in a lodge. However, your night at Ngala Treehouse is essentially an overnight wilderness experience that complements your stay either at &Beyond Ngala Tented Camp or Ngala Safari Lodge.

3 LOCATION, LOCATION, LOCATION
Set within the Ngala Private Game Reserve, 5 km from &Beyond Ngala Tented Camp: the reserve shares unfenced borders with the Kruger National Park, home to the Big Five and more species of large mammals than any other African game reserve. Ngala (meaning lion) lives up to its namesake, with the reserve supporting several large prides.

4 PRIVATE CONCESSION BONUS
Ngala Private Game Reserve has exclusive traversing rights on 14 700 hectares (36 000 acres) of private wilderness land. As a guest of &Beyond Ngala Tented Camp or Ngala Safari Lodge, you will enjoy the exclusivity of game drives within this concession area, the flexibility of day and night drives and the option of interpretive bush walks.

5 BEYOND THE EXPECTED
In the true &Beyond tradition of going beyond the expected – think cappuccinos and cocktails on game drives, or your very own pair of complimentary-use Swarovski Optik binoculars during your stay with us – the Ngala Treehouse Experience, with its feather-light imprint, is a complete re-imagination of a sleep-under-the-stars adventure... and its yours for the taking.
