Day 1 - Arrive New Delhi

Upon arrival at Delhi’s Indira Gandhi International Airport (Flights to be booked and issued at your end - details to be advised) You will be welcomed by your &Beyond India host and chauffeured to ‘The Oberoi New Delhi’

New Delhi, the capital of India is a modern buzzing metropolitan city with remnants of the past strewn amongst the modern buildings. Much of New Delhi was planned by Sir Edwin Lutyen’s, who laid out a grandiose central administrative area as a testament to British imperial pretensions.

Delhi was established between 900 B.C and 1930. Delhi’s famous “seven cities” range from the 12th century Quila Rai Pithora, built by Prithviraj Chauhan, to the imperial Shahjahanabad, constructed by the Mughals in the 17th century.

Of the many attractions in Delhi, the major sites are the Rashtrapati Bhawan designed by Sir Edwin Lutyens as the British Viceroys Palace, Shahjahanabad (Old Delhi) where the Red Fort is, or Jama Masjid in the famed Chandni Chowk in the heart of Old Delhi.

The Oberoi: Located in New Delhi, India’s capital city, The Oberoi New Delhi reflects the city’s spirit in a harmonious blend of tradition and contemporary sophistication. Located close to the city centre near business, commercial and shopping districts, the luxury hotel overlooks Delhi’s prestigious Golf Club on one side and the heritage site of Humayun’s Tomb on the other. Exquisite interiors, impeccable service and fine cuisine combine to make this the Capital’s most graceful and elegant hotel. The award-winning hotel is ideal for business travel or holidays to explore the cultural wonders of Delhi.

Spend Two Nights at The Oberoi New Delhi. Accommodation will be in a Premier Room. Your stay is on Bed & Breakfast basis.

Day 2 - New Delhi

At a convenient time today, you will have the opportunity to plunge deep into the beating heart of Delhi as you take a guided sightseeing tour of the Chandni Chowk. Immerse yourself in the colourful stalls and crowded alleyways of this historical market on a rickshaw ride and visit the Jama Masjid, the largest and most splendid mosque in India.
Chandni Chowk: Once the grandest of markets in India. Even though today Chandni Chowk appears choked with congestion, it retains its historical character.

Jama Masjid: The Jama Masjid is the principal mosque of Old Delhi. Commissioned by the Mughal Emperor Shah Jahan, builder of the Taj Mahal, and completed in the year 1656 AD, it is the largest and best-known mosque in India. It lies at the origin of a very busy central street of Old Delhi, Chandni Chowk.

Spice Market: Located in ‘Khari Baoli’ a street in Old Delhi known for its wholesale grocery and Asia’s largest wholesale spice market selling all kinds of spices, nuts, herbs and food products like rice and tea. The market is operating since the 17th century.

Later in the afternoon you will embark on a drive through New Delhi’s former colonial splendour, passing the magnificent president’s house, known as the Rashtrapati Bhavan, the World War I memorial of the India Gate and the Old Secretariat building.

Visit the Gurudwara Bangla Sahib, Delhi’s most prominent Sikh Temple and the UNESCO World Heritage Site of Humayun’s Tomb, India’s first garden-tomb.

Gurudwara Bangla Sahib: One of the most prominent Sikh Gurudwara or Temple, known for its association with the 08th Sikh Guru, Guru Har Krishan, as well as the pool inside its complex, known as the Sarovar. As with all Sikh Gurudwaras, the concept of Langar (Community Kitchen) is practiced, and all people, regardless of race or religion may eat in the Gurudwara kitchen (Langar hall). The Langar food is prepared by gursikhs (Sikh Devotees) who work there and also by volunteers who like to help out.

Optional: You will have the opportunity to lend a helping hand in the community kitchen or participate in community service.

Humayun’s Tomb: Humayun’s tomb is a complex of buildings built as the Mughal Emperor Humayun’s tomb, commissioned by Humayun’s wife Hamida Banu Begum in 1562. It was the first structure to use red sandstone at such a scale. The complex was declared a UNESCO World Heritage Site in 1993.
Day 3 - New Delhi - Agra

This morning, you will be met and driven to Agra. (approx 4 hours’ drive)

Agra: The city of Agra flourished under the patronage of the emperors Akbar, Jahangir and Shah Jahan and attracted artisans from Persia and central Asia. Agra is where Emperor Shah Jahan engraved his immortal love for his Empress in marble, the Taj Mahal. Agra is still famous for handicrafts products such as inlay work on marble, carpets, jewellery, zari and embroidery work.

You will be met on arrival and assisted to check-in at The Oberoi Amarvilas

The Oberoi Amarvilas: Considered as one of India’s best hotels, The Oberoi Amarvilas stands unmatched in its grandeur and style. Being only 600 mtrs away from the Taj Mahal, every single room in this property looks over the monument.

Once you have settled in, you will embark on a guided tour of the Agra fort and the Taj Mahal; to view it by Sunset.

Agra Fort. For many years through the Mughal rule, especially during the period when Agra was the capital of the kingdom, Agra Fort was renovated and reworked extensively with marble and pietra dura inlay. Notable buildings in the fort include the Pearl Mosque, the Diwan-e-Am and Diwan-e-Khas (halls of public and private audience), Jehangir’s Palace, Khaas Mahal, Sheesh Mahal (mirrored palace), and Musamman Burj.

Taj Mahal: Said to be one of the most elegant and a harmonious building in the world, Taj Mahal is the manifestation of the wealth and luxury of Mughal art as seen in its architecture, garden design, painting, and calligraphy.

Please Note: The entry tickets for visiting the Taj Mahal will be valid for 3 Hrs only. The Archaeological Survey of India (ASI) has declared that the Main Dome & 04 Cupola’s would undergo clay packing W.e.f. April 2018 till November 2018. They would restart the restoration work from the front facia of the Dome from April & move on towards the rear side in anti-clockwise direction so that in beginning September the scaffoldings do not interfere with the view of the Taj while one enters the complex. However the view from Mehtab Bagh would remain interfered between August & November as per our assumptions. At present as per the ASI’s timeline the entire work on the main building of the Taj Mahal would be completed till November 2018.

Spend One Night at The Oberoi Amarvilas. Accommodation will be in a Premier Room. Your stay will be on Bed & Breakfast Basis.
Day 4 - Agra - Fatehpur sikri - Jaipur

Revisit Taj Mahal at Sunrise

Return to your hotel for Breakfast

Later check-out and drive for about 05 ½ Hours to Jaipur enroute visiting the deserted Mughal walled city of Fatehpur Sikri.

Fatehpur Sikri: Built by Akbar in the mid-16th century as a new capital city. It is a fine example of a Mughal walled city with defined private and public areas and imposing gateways. Its architecture, a blend of Hindu and Islamic styles, reflects Akbar’s secular vision as well as his style of governance.

Jaipur: Founded in 1728 by Maharaja Sawai Jai Singh, Jaipur is where modernity and tradition exist side by side. The walled city, vibrant with colours, houses the City Palace, an astronomical observatory and a bustling bazaar where artisans fashion puppets, silver jewellery, lac bangles and other handicrafts in their workshops. At a short distance is the Amber Fort Palace at Amber.

You will be met on arrival and assisted to check-in at the Taj Rambagh Palace

Taj Rambagh Palace: In the finest tradition of Rajput hospitality, the Rambagh Palace offers its guests a taste of royal living - a luxury and extravagance that was once the sole preserve of kings. Its elegantly appointed rooms, marbled corridors and majestic gardens echo with history, and every corner has a story to tell.

‘The Jewel of Jaipur’, Ram Bagh Palace, which has been a home to generations of royals, was converted into a hotel in 1972.

Spend Two Nights at Taj Rambagh Palace. Accommodation will be in a Palace Room. Your stay will be on Bed & Breakfast Basis
Day 5 - Jaipur

This morning you will embark on a guided tour of the stunning Amber fort

Amber Fort: It was once the ancient citadel of the ruling Kachhawa clan of Amber, before the capital was shifted to present day Jaipur. Amber Fort is known for its unique artistic style, blending both Hindu and Muslim (Mughal) elements, and its ornate and breathtaking artistic mastery.

The afternoon will be spend exploring the Jaipur City Palace, marvelling at the ancient astronomical instruments in the Observatory Tower and admiring the Hawa Mahal (Palace of Winds):

City Palace: A wonderful combination of Mughal and Rajput forms of architecture, it is now partly a museum housing miniature paintings, manuscripts, Mughal carpets, musical instruments, royal costumes and weapons, giving invaluable insight into Jaipur’s royal past.

Observatory Tower or the Jantar Mantar was built between 1728 and 1734 and it houses precise instruments for measuring “the harmony of heavens”. Each instrument serves a particular function and gives an accurate reading.

Hawa Mahal (Photo stop only): perhaps Jaipur’s most famous building; the Hawa Mahal is the pink sandstone façade of a palace built for the ladies of the harem by Sawai Pratap Singh. The façade contains 953 small casements under a huge curve, each with a balcony and crowning arch. The windows enable cool air (Hawa) to circulate and the zenana to watch processions below without being seen.

Later this evening; you will be taken to the retreat of Dera Amer, where you will get an opportunity to interact with the Elephants, which is followed by sumptuous alfresco dinner.

Dera Amer situated behind the hills of the famous Amer Fort is the ideal location for outdoor recreational and adventure activities in very close proximity to the city of Jaipur. The Camp is surrounded by the wilderness of a reserved forest with no urban civilization in the vicinity, just a few hamlets housing the local villagers occupied by farming on their fields.

A local Rajput family who themselves reside in the area organize elephant, horse and camel safaris in the jungle using their beautiful home and the camp as a base, as well as getting the guests to interact with the local farmers in the village.
Day 6 - Jaipur - Jodhpur

Today you will drive to Jodhpur (approximately 05 hours with a Packed Lunch). A dazzling blaze of blue on the eastern edge of the Thar Desert, Jodhpur is dominated by the imposing fortress that towers above the city on a sandstone ridge.

You will be met on arrival and assisted to check-in at the Taj Umaid Bhawan Palace.

Taj Umaid Bhawan Palace: The last of the great palaces of India and one of the largest residences in the world - set amidst 26 acres of lush gardens. Part museum, part royal residence and part hotel, the Umaid Bhawan Palace, with its ornate, art deco design, offers fascinating insight into the lives of the royals, with visitors even given the possibility of an enticing glimpse of the current maharaja, who still maintains a home within the palace complex.

Remainder of the evening is at leisure to unwind after the long drive.

Spend Two Nights at Taj Umaid Bhawan Palace. Accommodation will be in a Palace room. Your stay is on Bed & Breakfast Basis.

Day 7 - Jodhpur

This morning will met by your guide and embark on a Jeep Safari to Bishnoi Village

The Village Safari is designed to provide you with an authentic rural experience. The purpose of the Safari is to showcase the vibrant rural life style of Marwar where the guests can see first-hand; the daily struggles and joys of the hardy yet ever welcoming people of the desert.

The highlight of the Safari is the Bishnoi tribe who are regarded as the first environment conservationist of the world and have been preserving the flora and fauna for the past 550 years as a religion. Their efforts are evident in the large number of wild animals that can be seen during this Safari including the rare black bucks, Chinkara deer, blue bulls, desert fox and Demoiselle Cranes to just name a few! We organise the famous opium ceremony which is an integral welcome ritual at the house of a Bishnoi along with turban tying.

The Safari also provides you with an opportunity to see the dying handicraft art form called “Pattu” making. This rare handicraft was
once a thriving business before the advent of the machine knitting factories. The Pattu is a form of rug making that used to be an integral part of any household in olden days. Used as a rug which can be spread to sleep on as well as to wear during the chilly winters, this multipurpose handicraft is now a rarity. The art of Pattu making used to be passed from father to son, but due to the economic constraints this art is slowly dying out.

Later drive back to Jodhpur and embark on a guided tour the Mehrangarh Fort & Jaswant Thada.

**Mehrangarh Fort:** Encircled within the massive city walls, the majestic Mehrangarh Fort keeps watch over a maze of rooftops from its perch on a rocky mountaintop. Bathed in yellow light at night, this imposing stronghold has the reputation of being the best maintained fort in Rajasthan, and the palace complex, with its network of courtyards, is well worth exploring. The museum also houses fabulous galleries of art and armour, a superb collection of elephant howdahs and other stunning royal artefacts.

**Jaswant Thada:** Sprawled in the shadow of the mountaintop fort, the Blue City also boasts the Jaswant Thada, a beautiful marble crematorium constructed for the maharajahs in the 19th century.

You may round off your afternoon with a visit to the local Market. Stroll past Clock Tower Market toward Nai Sarak, sample the famous mirchi bada - ‘fried chilli’, at Janta Sweet Home, pick up lac bangles at ‘Sadar Market’ and choose from an array of spices at the ‘Spice Market’.

**Pench National Park.** A spectacular natural reserve set among typical Central Indian teak jungle, Pench offers a quiet and secluded game viewing experience. Taking its name from the meandering Pench River which intersects the park, the reserve sprawls over a breathtaking landscape of hills, forests and valleys. Coupled with the feeling of having the entire forest to yourself, the gentle, undulating scenery of the Satpura Hills creates an unforgettable jungle experience. The mosaic of vegetation, from lush valleys to dry, deciduous forests creates a range of habitats for India’s exotic wildlife. Flat hilltops known as dadars appear among grassy expanses and riverine forests. A typical Central Indian Teak forest, Pench supports a rich variety of...
wildlife, including the tiger, leopard, wild dog, gaur, sambar, chital etc.

The Jamtara Wilderness Camp is ideally located in the village of Jamtara, at the foot of the Pench National Park. The Camp is cloaked within the safety of surrounding arjuna trees that tower to the heavens. The property features 10 grand tents, intended to elicit an airy and light atmosphere with fine views of the wide expansive landscape. The entrance of the structure is easily rolled up, inviting the warmth of the Indian sun and its glowing rays that illuminate the local artwork within the tent walls. Tents boast beds that are large and comfortable with deluxe linens, firm structured bathrooms, and private indoor and outdoor living areas.

Spend Three Nights at Jamtara Wilderness Camp. Accommodation will be in a Luxury tents. Your stay will be on Jungle Plan basis (cycle of 3 meals a day i.e. breakfast; lunch & dinner & scheduled game drives)

Day 9/10 - Pench

Early morning and afternoon game drives are done in open 4x4 jeeps. An experienced naturalist will accompany you and explain and point out interesting flora and fauna.

The reserve is set in a thick teak jungle that sets it apart from other important Central Indian national parks. It is home to a number of water bodies along with the Pench river that flows through it. The terrain is undulating and most of the area is covered by small hills, steeply sloping on the sides. Pench has a healthy population of wild dogs or 'Dhole' and sightings here are more common than other Central Indian parks. The park offers a quiet and secluded jungle experience.

Note: Pench Tiger Reserve is closed for park drives on Wednesday afternoons.
Day 11 - Pench - Kanha

This morning you will transferred to Banjaar Tola Camp in Kanha National Park (approx. 04 hours’ drive)

Kanha National Park: Kanha National Park has ideal habitat for tigers and their prey species. Prime tiger wilderness, it was one of the first areas to be protected under Project Tiger and is one of the largest conservation areas today. Lush Sal and bamboo forests are interspersed with vast grassy meadows while the Banjaar river forms the south-western border of the park and provides a steady water source for the abundant wildlife.

Note: Kanha is closed during the monsoon months - 31st June to 15th October

Banjaar Tola: An elegant safari lodge ideally located along the still Banjaar River at the foot of Kanha National Park. The dramatic setting of the lodge creates a theatre of jungle discovery and adventure, with constant reminders of the wildlife haven outside. The lodge features luxurious and airy tents with contemporary lines and finishes amid a forest backdrop.

Note: Banjaar Tola does not stock alcohol at their property; however the lodge staff will be happy to procure the preferred liquor from the local wine shop as per the guest’s requirements.

Experience a scheduled afternoon game drive in a shared jeep.

Spend Three Nights at Banjaar Tola. Accommodation will be in a Cottage. Your stay will be on Jungle Plan basis (cycle of 3 meals a day i.e. breakfast; lunch & dinner & scheduled game drives)

Day 12/13 - Kanha

Explore the dense jungles of Kanha National Park on early morning and afternoon park drives in an open 4x4 safari vehicle. Specially trained naturalists will accompany you throughout, pointing out and explaining details about the jungle.

One of the joys of exploring this park is the range of habitats each with their own characteristics. There are long stretches of tall sal (Shorea Robusta) trees with breaks of bamboo and large expanses of mixed deciduous forest. Riverine patches are dissected by streams of gin-clear water which make for perfect cooling spots for the animals in the heat. Kanha is famous for its vast meadows or ‘maidans’, many of which were previously ‘forest villages’ before their relocation. These fields are excellent habitat for large herds of spotted deer and Swamp deer that are preyed on by packs of wild dogs or ‘Dhole’. All
of these are interconnected by an excellent network of forest tracks and dirt roads.

Note: Kanha Tiger Reserve is closed for park drives on Wednesday afternoons.

Day 14 - Kanha - Raipur - Delhi - Flyout

Experience a scheduled morning game drive in a shared jeep.

Later drive for about 4 hours to Raipur airport reaching in time for your flight to Delhi (6E2454 / Dep 1940 Hrs :: Arr 2135 Hrs / Jetairways)
