FAMILY TRAVEL

Off the north-eastern tip of Zanzibar lies the magnificent, private &Beyond Mnemba Island, inhabited only by guests and the staff taking care of them. Pure barefoot bliss is the allure of Mnemba, which offers an unpretentious paradise where just 12 rustic palm-frond bandas are tucked into a tropical forest fringed by a white coral sand beach.

Families and groups will fall in love with the tranquillity of the island. Here two bandas are situated within close proximity to one another and can accommodate a family of four (two adults and two children).

WILDCHILD CHILDREN'S PROGRAMME

Children visiting the lodge can take advantage of the fun-filled and interactive WILDChild programme that offers various activities such as a delightful scavenger hunt, embarking on a pirate ship trip around the island, snorkelling, beach picnics, nature walks and baking turtle biscuits with the lodge chef.
