# WORLD OF &BEYOND

A commitment to making a difference and to leave our world a better place, has been the cornerstone of &Beyond's ethos since our beginning in 1991. Providing guests with an exceptional travel experience is the pulse behind our conservation trilogy Care of the Land, Care of the People, and Care of the Wildlife.

A key factor in the maintaining of this 26-year long impact momentum has been the fact that our model is self –funding, and is therefore not dependent on any one donor or individual. Our offerings to your guests extends across the three continents of Africa, South America and Asia. It brings to the table our 29 exquisite African safari lodges and camps, the highly acclaimed new &Beyond Vira Vira in Chile's Lake District, our specialist travel planners who are at your disposal, and a world of &Beyond expertise that will facilitate your guest's journey from start to finish.

We have established an intimate relationship with some of the world's last remaining unspoilt natural places and the communities that surround them, resulting in our trademark rare, exclusive and extraordinary travel experiences.

# VISION 2020

Vision 2020 was established in 2015 to unite &Beyonders towards key focus areas under each of our "care pillars." It has increased our impact by establishing the necessary discipline and accountability in measuring and reporting against our agreed goals for Care of the Land, Care of the Wildlife and Care of the People. Our Vision 2020 is best represented as follows...

## CARE OF THE LAND

1. REDUCING OUR DIRECT CARBON FOOTPRINT BY 8%
2. SUSTAINABLE USE OF WATER
3. ZERO PLASTIC WATER BOTTLES

## CARE OF THE WILDLIFE

1. PROTECTION OF ENDANGERED LAND & MARINE SPECIES BY FOCUSING ON AT LEAST 3 ENDANGERED SPECIES
2. ACTIVE MANAGEMENT OF THE WILDLIFE POPULATION TO MAINTAIN BIODIVERSITY, WHERE WE HAVE FULL CONTROL OF THE LAND
3. SUPPORTING WILDLIFE CONSERVATION EDUCATION

## CARE OF THE PEOPLE

1. MAXIMISE OUR LOCALISED SHARED VALUE OPPORTUNITIES THROUGH ECONOMIC BENEFIT
2. MAXIMISE OUR LOCALISED SHARED VALUE OPPORTUNITIES THROUGH CAPACITY BUILDING
3. MAXIMISE OUR LOCALISED SHARED VALUE OPPORTUNITIES THROUGH SOCIAL SERVICE INFRASTRUCTURE:
